

DESSERT GLASSES

Steelite Venus

Venus by Catherine Hurand offers a bold new direction in glass dinnerware that gives the impression of dancing flames frozen in time. Evoking a wild, organic feel, while still maintaining a sensual, feminine air, Venus sets any table apart from the rest. Through seemingly free-form, each Venus piece is uniform in shape, offering stack-ability. This juxtaposition of uninhibited style with uniform structure creates the perfect piece for optimizing both practicality and presentation.
