

BUFFET & BREAKFAST DISPLAY

Kata Melamine Crocks

The future of counter display crocks and trays is here! Impeccably designed, this all-in-one product collection includes three heights which can be combined to create different capacities and levels, four foot prints, a bamboo insert and PET disposable lid, making 125+ different combinations all fitting within a gastronorm footprint. The versatile crocks can be flipped to act as platters and stack easily for storage and the contrasting bamboo inserts add theatre to your display bringing your buffet to a new level.
