1

Constructed from strong durable polypropylene featuring a clear polycarbonate sliding lid allowing for quick access to ingredients.

Includes a polycarbonate scoop. Stackable.

2

Round storage allows more efficient air circulation for cooling. Positive lock lids (double-wall seal) with corner pull tabs.

Full range of sizes available upon request.

3

Tight fitting snap-on lids keep food fresh. Date panels on boxes and lids for easier inventory control.

Full range of sizes available upon request.

4

Square shape offers up to 14% more capacity than round containers. Tight-fitting lids help protect dry goods and other contents.

Also available in square. Full range of colours and sizes available upon request.

5

Square containers store up to 25% more on a shelf than round containers in the same space.

Break-resistant clear polycarbonate for visibility, long life.

Smooth surfaces for easy cleaning.

Dishwasher safe.
