	19 Ltr, 2/3 GN	354 x 325 x 200mm	471
	Non-Permanent Marker	Non-toxic ink	393

1

Polypropylene airtight containers designed with catering professionals in mind. The airtight containers are available in Gastronorm sizes.

The airtight food container has a permanent label and, with the Araven non-toxic ink marker pen, the label will stay as new, even after washing again and again.

Clips included (red, yellow, green and blue).

2

The purple colour of Araven's airtight container identifies and differentiates food for customers with allergies or food intolerances. This ensures separation and protection from possible contamination by substances that may trigger an allergic reaction.

Correct identification will avoid any inadvertent intake of such foods by this risk group.

Anti Allergen Airtight Containers

	CAPACITY	SIZE	CODE
2	2.6 Ltr, GN 1/6	176 x 162 x 150mm	61390
	4.3 Ltr, GN 1/4	265 x 162 x 150mm	61392
	6 Ltr, GN 1/3	325 x 176 x 150mm	61393

3

Designed for perfect storage, optimum food preservation with maximum hygiene and the strictest control of raw materials.

Ingredient bins are ideal for storing food with very low levels of humidity (dry goods, nuts, pasta, rice) They can be closed so the contents are protected without having to be airtight, avoiding humidity getting in & spoiling the contents.
