Dish Dolly & Plate Mate

	DESCRIPTION	CODE
--	-------------	------

Carlisle Dish Dolly
A one-stop solution for transportation. Adjustable Polyethylene dividers eliminate the need for individually-sized dollies and helps prevent dish edge chipping. Two-handed access to all plates reduces breakage. Ergonomic rounded handles make it easier to push. 10" non-marking wheels on one end make moving a loaded cart easy.

Collapsible Plate Mate 84 Plate (185cm)
Easily, foldable after use and hung on a wall or put in a corner for storage. Stainless steel tubes and stainless steel swivel wheels (two with brakes). 2" Spacing between supports. Save Space Twice!

Rubbermaid Max System™ Racks

Ideal for a wide range of food preparation, transport, serving and storage tasks. This innovative system is specially designed to work with full-size food pans, food boxes, and gastronorm size food pans.

- ✓ Components are made of impact-resistant structural web plastic
- ✓ Soft, rounded corners that are easy on walls & doors
- ✓ Quiet handling and upscale design lets workers move food directly from kitchen to dining room
