

## SPECIALIST CLEANING

### Proto-Brite, Krystal Clear & Polycarb Combi

70402

**PROTO-BRITE GLASSWASH DETERGENT**  
2 x 5Ltr

Machine Glasswashing Detergent. Use in normal water hardness conditions. For maximum head retention and lacing.

70166

**KRYSTAL KLEAR GLASSWASH RINSE AID**  
2 x 5Ltr

Use in glasswash machines with Proto-Brite glasswash. Deals with increased water hardness and helps eliminate spotting.

70446

**MACHINE & GLASS CLEANER POWDER**  
2.5 Kg

Renovate is a detergent powder, designed to restore glassware through the removal of non-rinseable films, and the cleaning of rotary brush and glasswash machines. Renovate gives improved head retention and lacing effects, as well as being non-tainting to glassware.

70447

**MACHINE & GLASS CLEANER POWDER**
