

ISLA

Inspired by the shoreline. The contemporary and intricate Isla design is inspired by shapes and textures found along the seashore. Featured on a comprehensive range of tableware shapes and beverage items, the modern yet graceful Isla embossment is reminiscent of the coastline.

The combination of the embossed design and the introduction of the Shale Grey and Ocean Blue colour wash makes Isla the perfect choice for gourmet presentation or casual dining. Statement items in hand decorated feature colours create stunning signature dishes whether presented independently or as an eclectic modern mix with other Churchill products.

New additions include triangle chef plates & Isla glassware.
