

1. Turn the control knob to select the appropriate icon.

2. Pull up on control knob one time to prime the pump.

3. Push the knob down fully to pump a precise dose needed for the correct dilution when mixed with water.

## DIVERSEY SMARTDOSE SYSTEM

The patent-pending SmartDose bottle allows you to easily and accurately dose concentrated cleaning products. This innovative and sustainable solution delivers better cost control than any other dosing system. The portable SmartDose bottle goes wherever you go. Simply select the appropriate dosing icon, pull up the pump once, then push the knob down to dispense the accurate amount of concentrated cleaner.

- ✓ Minimal training needed
- ✓ Easy-to-understand icons
- ✓ No water hook-up required
- ✓ Maintenance-free system
