1 50/50 mix polyester/cotton. Antibacterial triclosan spun into yarn (not impregnated). Inhibits bacteria growth.

2 Looped & stay flat features. 50/50 mix synthetic/cotton. High strength/ absorbency.

3 Superior push fit socket. Fits together with Exel handle. Easy to remove and longer lasting.

4 Good alternative to PY mops. Washable. Lighter and easier to handle. Lint free. Highly absorbent - floors dry quicker.

5 Push System - No More Clips! Exel fitting for Prairie PY and Multi yarn mops.

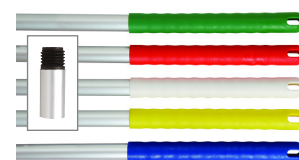

6 PY yarn is very absorbent and less hard-wearing. Best for laying down and picking up liquid.

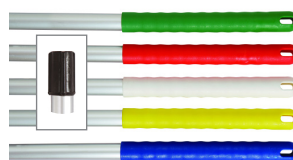

7 Good alternative to PY mops. Washable. Lighter and easier to handle. Lint free. Highly absorbent - floors dry quicker.

8 Use with Mops 1, 2, 3, 4 & 5

9 Use with Mops 2, 3, 4 & 5

10 Use with Mops 6 & 7
