

STUDIO PRINTS RAKU

Made in England, Raku inspired prints are achieved with Churchill's innovative print process. The print is positioned directly under the glaze, creating a protective layer over the decoration. Each piece is unique as the reactive print acquires its beautiful colour through random, spontaneous effects. Emulating an artisan glaze finish, Studio Prints Raku has all of the durability and technical reassurance required for the hospitality environment.

*Use suffix when ordering: Agate Grey (*RKAG), Garnet Orange (*RKG0), Topaz Blue (*RKTB), Quartz Black (*RKBQ), Jade Green (*RKJG), Jasper Grey (*RKGJ)
