

DUDSON EVO *See Page 9 for Beverage*

Evo has been designed with the appearance of hand-thrown pottery and its homely charm adds a touch of warmth to any tabletop. A replication of shape and aesthetics, Evo is available across fifteen items in three well established glaze colours, Granite, Jet and Pearl. The fully glazed pieces are hand dipped on Vitrified Stoneware and the reactive colours create variation, making each piece individual. Although the collection may look handcrafted, Evo is supremely practical and whatever your particular service requirements, items can be mixed and matched to suit.
