

PERFORMANCE: DAPPLE

They say all good things come back around eventually and that’s certainly the case with this enamel look tableware. A household classic with the added benefit of Steelite International lifetime edge chip warranty to provide an up to the minute on trend product.

Rustic & minimal at the same time Brown Dapple blends effortlessly with the Craft and Terramesa offers allowing new and refreshed presentations to emerge. Cool coupes and stacking bowls help deliver elevated styles of food.

Charcoal Dapple adds a new dynamic within this established and successful family. This black reactive decoration creates a strong and confident statement, giving chef a fantastic platform, in which the food presentation is amplified. Perfectly positioned to work with all other decorated and white tableware ranges which provides flexibility to bring through seasonal and menu changes. Careful consideration has been given to ensure all plating options are covered complimented with a beverage offer.
